

SOFT HINGE

OWL SERIES

**FOR CARS DOORS, TRUCKS CABIN DOORS
OR TRUCKS REAR DOORS**

With its inner mechanism based on rolling friction and the integrated checker door, this hinge is very silent...just like the wings of an owl!

**Degrees stop can be adjusted
according to the clients' request.**

**Checker door integrated
into the hinge**

**NO SOUND,
NO PROBLEM IN THE
CATAPHORESIS AND
PAINTING PROCESS**

**Elimination of the external
checker door**

**COST REDUCTION
PLEASANT FEELING**

Sealed closure

**NO OXIDATION
NO DIRT**

**Soft Hinge can be mounted and adapted to any type of cars
and trucks and either as the upper or the lower hinge.**
